

Stayin' Alive 2014

Emergency Preparedness and Business Continuity Seminar

Friday, May 30, 2014

8:30 am Registration 9:00 – 11:30 am Program

East Bank Regional Library, Jefferson Room A

4747 West Napoleon Ave., Metairie

USE ADMINISTRATION ENTRANCE ON THE RIGHT OF THE BUILDING

Wayne Aucoin, Business Continuity Consultant with LSBDC

With over 20 years of experience as a catastrophe adjuster for the insurance industry, and as owner of a professional cleaning and disaster restoration company, Wayne has been a business consultant for the last five years, focusing on business continuity through risk management.

During this program you will learn how to:

- Identify people-created risk factors that can damage or destroy your assets
- Protect human and business assets
- Understand insurance and risk management
- Create Emergency Operations and Financial Sustainability Plans

Brian Fitzsimmons, Jefferson Parish Chief

Administrative Assistant of Public Safety

Will provide information on preparedness and business continuity specific to Jefferson Parish, including the business re-entry placards.

Display tables with information from the Red Cross, Jefferson Parish, Entergy, TW Telecom and Restech
