

## NMD, Inc. - EasyMerge.com

**Established in 1997, NMD, Inc. was founded on the premise of providing quality programming and design punctuated by outstanding personalized service for all clients. NMD, Inc. services an international client-base within both the private and public business sector and holds a well-respected place in the technology community due to innovative marketing, creative design and development skills, and service-oriented dedication to clients.**

Boasting a full service in-house creative and development team, NMD offers custom turn-key solutions including sales and marketing consulting, print and graphics design, website development, e-commerce solutions, as well as custom web-based software and hand-held applications.

With the launch of the eMerge™ interactive marketing suite - [easyMerge.com](http://easyMerge.com) - NMD has quickly gained international recognition and clientele seeking a comprehensive email, social media, mobile and web platform. eMerge™ offers a variety of options including a do-it-yourself subscription program, professional campaign services and partner opportunities including reseller programs and enterprise / white label solutions. Team eMerge are available for keynote speaking, education, support and training programs. eMerge™ clients include the Canadian Tourism Commission, Fairmont Raffles Hotels International, ASAE & The Center for Association Leadership, Corpus Christi, TX CVB and the International Society for Magnetic Resonance in Medicine (ISMRM).

NMD serves as the creative and development house for [Scratch Technologies](#), a company offering [CollectPro](#), an in-house invoice and collections management software that works in conjunction with Quickbooks, Peachtree and Freshbooks. Scratch and CollectPro software are Silver development partners within Sage. CollectPro is a featured product within the Peachtree Business Analytics application.

NMD is a principal partner of Watch Systems; a national public safety firm headquartered in Covington, Louisiana and the provider of OffenderWatch® and [CommunityNotification.com](http://CommunityNotification.com). The Watch Systems' software program is considered the premier sex offender management and notification solution in the nation and is the only software endorsed by the National Sheriff's Association. NMD has served as the development shop for the OffenderWatch® solution for the past 6 years and is pleased to have contributed to the growth of the software that is now located in over 1,000 law enforcement agencies around the United States and utilized by over 1,000,000 citizens.

NMD has eMerge™ sales offices in both New Orleans, LA and Tampa, FL and are currently expanding across the United States.

**Bondilyn Jolly is the CEO and President of NMD, Inc.**, a North-American software development company responsible for the development of eMerge ([EasyEmerge.com](http://EasyEmerge.com)) and CollectPro ([MyCollectPro.com](http://MyCollectPro.com)). A Co-Founder of Scratch Technologies, the company that owns CollectPro, Bondilyn currently serves as Chairman of the Board.

An accomplished musician with a degree from the Ithaca Conservatory of Music, Bondilyn found that her creative talents easily crossed over into the Internet and electronic medium. With extensive sales and marketing training as well as years in creative design and project management, Bondilyn heads up all new business and client relations for NMD as well as serves as head of creative and project development. The driving force behind the NMD team, Bondilyn thrives on building strong client relations and pushing the creative envelope.

#### **Isaiah Quiroz, eMerge Marketing Coach**

**Isaiah has spent the past year working as an online marketing coach for eMerge. Isaiah started his career overseeing marketing campaigns and creating commercials for small businesses in south Mississippi, including Nissan of Picayune. As a part of the eMerge coaching team, Isaiah educates small businesses on developing, running and understanding web marketing strategies. Isaiah lives in Picayune, MS with his wife and recently found out he is expecting his first child. Isaiah's passions include media design, film, and teaching.**

#### **Sean Doss, eMerge Marketing Coach**

**Since graduating from Southeastern University in 2011, Sean has been actively involved in the Greater New Orleans business community and has served as an eMerge marketing coach for over a year. Sean prides himself on helping his eMerge clients create successful marketing campaign with a special focus on email and social media. Sean is a native of Slidell, LA and in his free time Sean enjoys traveling, researching new marketing techniques and playing sports.**

#### **Chelsea Thomas, eMerge Marketing Coach**

**Chelsea's passion for business entrepreneurship is a huge plus when working with her eMerge clients; she was a small business owner at 18 years old and first place winner of the New Orleans' Business Startup Weekend in 2013. As part of the eMerge coaching team, Chelsea helps small business owners maximize their online marketing using the newest online strategies. Chelsea holds a bachelor's degree in business administration and marketing from the University of Southern Mississippi.**
